

Remarks/Arguments

Claims 1-25 are pending in this application. Claims 1, 12, 14-15, and 19-21 are currently amended.

Claim Objections

On page 2 of the Action, the Office has objected to Claims 1 and 12 due to typographical errors. These errors have been corrected.

Claim Rejections- 35 U.S.C. § 112, paragraph 2 (Indefiniteness)

On pages 2-3 of the Action, the Office has rejected Claims 1, 12, 14-15, and 19-21 under U.S.C. §112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which the Applicant regards as the invention.

The Office has stated there is insufficient antecedent basis for several limitations in the rejected Claims. Claims 1, 12, 14-15, and 19-21 have been amended to remedy all issues with respect to improper antecedent basis.

Pursuant to the above comments and amendments, the Applicant respectfully requests that the Office's rejections of Claims 1, 12, 14-15, and 19-21 under 35 U.S.C. § 112, paragraph 2 (Indefiniteness) be withdrawn.

CONCLUSION

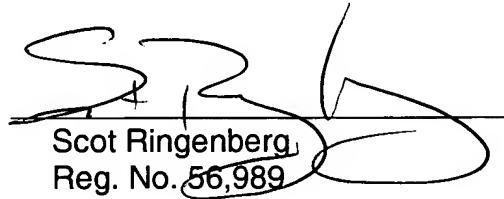

In light of the forgoing amendments and arguments, reconsideration of the claims is hereby requested, and a Notice of Allowance is earnestly solicited.

Respectfully submitted,

LSI Logic Corporation,

Dated: November 20, 2006
